**MOAR and Friends 34<sup>th</sup> Recovery Month Celebration Day  
September 26th, 2024**

“Recovery is for Everyone, Every Family, Every Community”

Dear Recovery Community Member,

**September is Recovery Month!** Thank you for supporting **MOAR** for 33 years! You make Recovery Day **MOAR** special. It is always time to spread the message that **prevention works, treatment can be effective, and people can and do recover!** Before and during Recovery Month is an opportunity to increase awareness and understanding of mental health and addiction. We are in person again on Boston Common (tentatively) with a march to The Shubert Theater! We will make it hybrid for those want to do Facebook Live!

We cannot ignore that there were 2,125 overdose deaths confirmed in 2023! Too many lives lost, and we know too well of the impact to Black, Hispanic, and Indigenous culture. We want to honor all who persevered to support the diversity of needs from race, culture, and health. We need to provide hope in the form of sharing our recovery stories from infinite recovery pathways!  
Let’s celebrate that we can and do recover!

**MOAR** thanks you for considering to be a **Recovery Month Sponsor.**

You will make our Recovery Month Celebration on Thursday, September 26<sup>th</sup> **MOAR** special.

Currently our plan is to meet at Boston Common with an opening rally followed by a march to **The Shubert Theater** for festivities.

**We are MOAR grateful!**

Let’s celebrate the societal benefits of addiction prevention, treatment, harm reduction, and recovery! Let’s recognize the contributions of treatment and service providers, and the message that recovery in all its forms is possible. Recovery Month spreads the word that addiction recovery is essential to overall health, prevention works, harm reduction, and treatment are effective, and people do recover.
