

RECOVERY ADVOCACY CONTEST

SPONSORED BY RECOVERY EDUCATION COLLABORATIVE COMMUNITY ENGAGEMENT & OUTREACH WORKGROUP

**RECOVERY
MONTH 2023**

Purpose:

Demonstrate an understanding of a population impacted by substance use disorder, their current needs, and barriers to and in recovery, as well as recommendations to support the removal of said barrier in their journey of recovery. The poster will be displayed digitally on the big screen in the Great Hall at Faneuil Hall on Recovery Day.

Objectives:

- Increase visibility to special populations impacted by barriers to recovery supports.
- Increase knowledge of policies hindering the progress of recovery for those seeking recovery.
- Amplify the value of harm reduction strategies and how it plays a role in support of recovery.
- Develop a visual communication that would motivate others to advocate.
